Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Network providers : \$500 Individual/\$1,000 Family – Option 1 \$1,000 Individual/\$2,000 Family – Option 2 Out-of-network providers : \$2,000 Individual/ \$4,000 Family – Option 3	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . Deductible amounts cross-accumulate between Option 1 and Option 2.
Are there services covered before you meet your deductible ?	Yes. In-Network preventive care , and services not subject to the deductible	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Network providers : \$4,000 Individual/ \$8,000 Family – Option 1 \$4,000 Individual/\$8,000 Family – Option 2 Out-of-network providers : \$6,000 Individual/ \$12,000 Family – Option 3	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. Out-of-pocket maximum amounts cross-accumulate between Option 1 and Option 2.
What is not included in the out-of-pocket limit ?	Premiums , balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.fhcp.com/find-providers/physician or call 1-877-615-4022 for a list of network providers .	You pay the least if you use a provider in Option 1. You pay more if you use a provider in Option 2. You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Important Questions	Answers	Why This Matters:
Do you need a referral to see a specialist ?	No.	You can see the Specialist you choose without a referral.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
