Summary of Benefits and Coverage: What this Plan Covers & What You Pay for Covered Services

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit http://www.fhcp.com/documents/coc/2026-large-group.pdf. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-877-615-4022 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network providers: \$2,500 Individual/\$5,000 Family – Option 1 \$3,000 Individual/\$6,000 Family – Option 2 Out-of-network providers:\$5,000 Individual/ \$10,000 Family – Option 3	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . <u>Deductible</u> amounts cross-accumulate between Option 1 and Option 2.
Are there services covered before you meet your deductible?	Yes. In-Network <u>preventive care</u> , and services not subject to the deductible	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Network providers: \$5,000 Individual/ \$10,000 Family – Option 1 \$6,000 Individual/\$12,000 Family – Option 2 Out-of-network providers: \$10,000 Individual/\$20,000 Family – Option 3	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. <u>Out-of-pocket maximum</u> amounts cross-accumulate between Option 1 and Option 2.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.fhcp.com/find-providers/physician or call 1-877-615-4022 for a list of network providers .	You pay the least if you use a <u>provider</u> in Option 1. You pay more if you use a <u>provider</u> in Option 2. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the Specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
