To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Florida Health Care Plan's formulary. If you have additional questions, please call our Member Services at 386-615-4022 or 1-877-615-4022. Hours of operation 7 days a week, 8 a.m. to 8 p.m. TTY/TDD Users should call 1-877-260-8312. Or, visit www.fhcp.com/medicare/pharmacies/overview.htm.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Florida Health Care Plan, Inc. In most cases, your prescriptions are covered under Florida Health Care Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

Those Preferred and Non-Preferred pharmacies that offer an extended day supply of medications are indicated by an (*).
