RE: CARDIAC ULTRASOUND

We are pleased to announce that effective May 23, 2011 the Florida Health Care Plans ultrasound department will be performing outpatient echocardiogram exams at the Daytona Beach and Palm Coast facilities.

The cardiac lab is staffed by an experienced, Registered Cardiac Technologist, under the supervision of our staff cardiologists. Studies will be interpreted by Drs. Williams and Liu in Daytona Beach, and by Dr. Bianco in Palm Coast.

Our two convenient locations include:

FHCP – Daytona Beach
350 No. Clyde Morris Blvd., Suite 5
Daytona Beach, FL 32114

FHCP – Palm Coast
309 Palm Coast Parkway
Palm Coast, FL 32137

Appointments for both facilities are scheduled through our main office in Daytona, 1-800-321-1227 Ext. 3303 or 386-238-3200 Ext. 3303.

If you have any questions in reference to this memo, please contact Kristen Beck, RDMS, FHCP Ultrasound Manager at 368-238-3200 Ext. 3368.
