

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, <http://www.fhcp.com/documents/coc/ghp-small-group-2020>. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<p><a href="#">Network providers</a>: \$2000 Individual/\$4000 Family – Option 1                      \$2000 Individual/\$4000 Family – Option 2  <a href="#">Out-of-network providers</a>: \$3000 Individual/\$6000 Family – Option 3</p>	<p>Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
Are there services covered before you meet your <a href="#">deductible</a> ?	<p>Yes. <a href="#">Preventive care</a> and prescription drug coverage</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
Are there other <a href="#">deductibles</a> for specific services?	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<p><a href="#">Network providers</a>: Medical: \$4000 Individual / \$8000 Family – Drug: \$1000 individual / \$2000 Family - Option 1.                      Medical: \$4000 Individual/\$8000 Family – Drug: Not Covered - Option 2  <a href="#">Out-of-network providers</a>: Medical: \$4500 Individual/ \$9000 Family Drug: Not Covered – Option 3</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
What is not included in the <a href="#">out-of-pocket limit</a> ?	<p><a href="#">Premiums</a>, <a href="#">balance billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.fhcp.com/find-providers/physician">www.fhcp.com/find-providers/physician</a> or call 1-877-615-4022 for a list of <a href="#">network providers</a> .	You pay the least if you use a <a href="#">provider</a> in Option 1. You pay more if you use a <a href="#">provider</a> in Option 2. You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">Specialist</a> you choose without a referral.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
