

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit:

http://www.fhcp.com/documents/coc/qhp-ind-2024.pdf. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.cciio.cms.gov</u> or call 1-877-615-4022 to request a copy.

| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall<br><u>deductible</u> ?                          | <u>Network providers</u> : \$5,900<br>individual / \$11,800 family.<br><u>Out-of-network providers</u> : \$9,000<br>individual / \$18,000 family.  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> and cost sharing without a deductible.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other <u>deductibles</u> for specific services?           | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?    | <u>Network providers</u> : \$9,100<br>individual / \$18,200 family;<br><u>Out-of-network providers</u> : \$18,000<br>individual / \$36,000 family. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the<br>out-of-pocket limit?                 | Premiums, balance-billing charges,<br>and health care this <u>plan</u> doesn't<br>cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?            | Yes. See<br><u>https://www.fhcp.com/our-provider-network/</u> or call 1 (877) 615-4022<br>for a list of <u>network providers</u> .                 | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see<br>a <u>specialist</u> ?       | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
