<p><b>Important:</b> Diagnostic or therapeutic services rendered in physician offices, testing centers or other outpatient locations that are owned and operated by a hospital system are considered by the hospital system to be departments of the hospital. As a result, FHCP will be billed by the hospital for such services, and the member's outpatient hospital benefit will be applied to these claims. FHCP's Provider Directories and online Provider Search application provides information regarding which provider offices are actually hospital outpatient departments. Members should contact FHCP's Cost Estimation Center to determine if having the diagnostic test or service performed in a hospital or hospital owned facility will result in higher cost sharing.</p>

**\*Prior Authorization is Required:** There are certain medical services for which members are required to obtain a Prior Authorization before receiving that service. If you don't obtain prior authorization from FHCP, you will have to pay the entire cost of the service. Before a specialty or testing appointment you should visit [www.fhcp.com](http://www.fhcp.com) or call toll-free 1-877-615-4022 to see if prior authorization is required.

The family out-of-pocket maximum amount is embedded. Any one individual in a covered family can satisfy the individual out-of-pocket maximum for your plan. The entire family amount can be satisfied by any or all of the other covered dependents.
