

# IMAGING & ULTRASOUND SERVICES

## Affordable High-Quality Health Care Services in Your Community

Florida Health Care Plans is pleased to offer convenient diagnostic imaging services in the communities we serve. Walk in for X-rays or call **(386) 238-3270** to schedule an Ultrasound appointment.

By taking advantage of imaging services available at an FHCP Care Center, members experience shorter wait times and save time and money on routine screenings. Results are usually available within 24 hours or sooner based on provider orders. Hours vary by location.
